WORKSHOP

On September 15, 2021, the online zoom meeting between the partners and the stakeholders was successfully held. Initially, was scheduled for April 30, 2021, but due to the pandemic it was extended. The principal objective of this meeting was the acquaintance of the partners with the stakeholders. The partners by presenting themselves and their research work on areas that the ISTOS deals with and the stakeholders by presenting their business project.

TELECONFERENCE

ZOOM MEETING OF PARTNERS AND STAKEHOLDERS

The European partners of the universities, starting from Dr Kyriazis Ptilakis, Professor Emeritus at Aristotle University of Thessaloniki (AUTH), afterward the speech was taken by Dr Giulio Zuccaro, Full Professor at the University of Naples Federico II (UNINA), and Dr Nickolas Kyriakides, Assistant Professor at the Cyprus University of Technology (CUT), presenting themselves, their team and their research work. The teleconference continued with the stakeholders, Ms. Mikaella Mala (Civil Defense), Dr Kleanthis Nicolaidis (Department of Meteorology), Mr. Kostas Aristeidou (Water Development Department), Dr Sylvana Pilidou(Geological Survey) and Surgent Costa Stavrou (Fire Service) taking the speech by presenting their business project and their action
